Dr. D. J. C. Cunningham,
University Laboratory of Physiology,
Oxford, England.

Dear Dr. Cunningham:

Due to the convenience of making final travel arrangements for my trip to England and other places next July I will greatly appreciate having your opinion concerning the question mentioned in my letter of April 22, a copy of which is enclosed.

Thanking for your kind attention to this request, and with best personal regards, I remain

Sincerely yours

Dr. Alberto Hurtado
