Dr. André Cournand,
Department of Medicine,
Bellevue Hospital,
New York, N.Y.

Dear Dr. Cournand:

I deeply appreciate your approval to have Dr. Amador Carcelón, from our Institute, for a few weeks in your Laboratory. We are interested in the improvement of some of the methods used in our high altitude research and the opportunity so kindly extended to him will be a most valuable assistance for this purpose.

With our best wishes for the New Year and hoping to see you in Lima some time in the future, I am,

Sincerely yours,

Alberto Hurtado
