Dear Bill:

Your note of July 15 has been received and I am enclosing a copy of the brief remarks made at the dinner of the Harvard Medical Unit. I am sorry if it contains many errors.

I take this opportunity to express my appreciation for the ^{kind invitation to attend} ~~opportunity of attending~~ the celebration. It was a wonderful meeting and I was happy to see again so many good friends.

With best personal regards, I remain

Sincerely yours

Dr. Alberto Hurtado
