Dear Dr. Hurtado:

I would like to take this opportunity to thank you for your many kindnesses to me and Al Friedlich on our recent visit to Lima. You were most hospitable and I can assure you that we enjoyed our stay in Lima. The visit to your institute was a high point on our junket, even in spite of the fact that we did not climb the Andes. I think your work is remarkable and outstanding. I will eagerly await your report in "Medicine".

Hoping you will inform us of your next visit to Boston so that we can learn more of your activities,

Sincerely yours,

Dr. Alberto Hurtado
