Clinical Professor of Pathology
Chief, Department of Pathology

Address
DEPARTMENT OF PATHOLOGY
Massachusetts General Hospital
Boston 14, Massachusetts

August 23, 1955

Dr. Alberto Hurtado
Apartado 1116
Lima, Peru

Dear Dr. Hurtado:

It will be perfectly all right for Dr. de Mola to arrange for his registration after he arrives in Boston. Ask him to see me first and I will explain the necessary details to him.

Will you also ask him to write me on what day he is planning to arrive.

Sincerely yours,

Benjamin Castleman, M. D.
