Dr. Alberto Hurtado
Apartado 1116
Facultad de Medicina
Lima, Peru

Dear Alberto:

May I prod you, hopefully with success, for a copy of your remarks or some reasonable facsimile thereof made at the dinner of the Harvard Medical Unit on the evening of June 2, 1964 at the Harvard Club.

Dr. Finland has asked that I assemble the words of the speakers for the private files of the Harvard Medical Unit.

Sincerely yours,

W. B. Castle, M. D.
