School of Medicine,
260 Crittenden Boulevard,
Rochester 20, N. Y.

Dear Dr. Young:

Thanks very much for the kind remittance of a copy of the program for the Final Clinic of the Graduating Class. I have a great interest in these ceremonies which are very valuable from a traditional point of view.

I take this opportunity to express again my sincere appreciation for the very kind hospitality received at the School. As you know, I am very much indebted to the happy and profitable years spent at your Department, so this visit had a very special significance to me. I hope to be able to be in Rochester again in the near future.

With best personal regards.

Sincerely yours,

Dr. Alberto Hurtado.
